NFP Red Tape Made Easy

DIY NFP Sector Governance Training

DIY Governance and Effectiveness

NFP Success provides affordable and practical consultancy services to the Not-for-Profit and Community Sectors and has now delivered Governance training to more than 10,000 Board and/or Committee Members . This experience has allowed us to develop a very effective Governance Training program that runs for a little over three hours. Short , sharp and effective .

We have now worked closely with NFP Success to develop a full DIY Training Kit containing guidance , direction , coaching and assistance on how to run your own Governance training for your own Board or Committee using our course materials.

Governance Training Testimonials

(from over 10,000 participants Australia-wide)

"I believe that everyone on a board or committee should do this course as a prerequisite for joining."
Gabrielle East (WA)

"Now looking at our committees from a different angle, namely looking at ourselves and our effectiveness.
"Samara Grumberg (Qld)

"It was a thought provoking and challenging exercise ..... but will have some great long-term outcomes for the organisation."
Stefan Lamour-Jansson - EO Girls and Boys Brigade (NSW)

"They were not just theoretical examples but backed by the outcomes achieved. A fantastic workshop."
Winnie - VP Bowen Street Community Centre (Vic)

"Our President came away with information that will change the organisation's culture."
Kevin Parkinson - Huon Valley PCYC (Tas)

"It was a great session with so much knowledge to bring back to the Board."
Mai Cee - SPK Housing Cairns -(Qld)

Frequently asked Questions:

Q. Can I use a single kit for the two NFP Sector committees I am on?
A. Sure

Q. What type of support is available after purchasing?
A. NFP Success will provide personal coaching and assistance to the person responsible for delivering the training . This is normally an extensive walk through prior to your first training and post training follow up. We also provide updates to materials as Governance Standards and Principles change or when needed to make our program even more effective.

Q. What does the DIY Training Kit comprise of?
A. Everything you need to run your own training program including:
- *Trainers Session Plan*
- *Powerpoint/Guiding Slides (two versions - with or without notes)*
- *Attendee Workbook*
- *Attendee Exercises*
- *Recommended Video Clips*

Q. Can I customise the program to our needs?
A. Yes, however we recommend careful customisation so that the magic that makes this product so effective is not lost

Q. Once we purchase who do you recommend should facilitate the training?
A. Your Trainer should have Group Facilitation or Training experience and confidence in the subject matter through Board or Committee Membership

Q. Our Committee likes shorter sessions, can it be split into shorter sessions?
A. Yes after purchasing we can work with you to suggest to you how best to achieve that

Q. Can the program be delivered on-line?
A. The program has been delivered both "in the room" and "in the zoom" and both models have achieved learning goals

Q. We are an Aboriginal Corporation will it suit our corporation?
A. We have a similar but specific package designed for Aboriginal Corporations for exactly the same price

Q. We would like to purchase but lack the confidence to run it yourself first up. Can you provide a trainer on the first occasion and at what cost?
A. Yes - this is a good way to obtain proficiency. It costs an additional $1200+gst for us to deliver the training.

Q. What are your contact details?
A. Best to contact Amanda on (02) 9659 2602 or amanda.smith@nfptemplates.com.au
